## Certificate of Analysis

| Intende              | d Use:     | For Research Use Only Not for Diagnostic or<br>Therapeutic Use             |
|----------------------|------------|--|
| Country              | of Origin: | U.S.A.   |
| Storage<br>Stability |            | Stable for 1 Year at -20.0°C from date of receipt.                         |
| Usage:               |            | IHC: 1:500 -1:2000 dilution;<br>WB: 1:1000 - 1:2000 dilution.              |
| Buffer:              |            | 50% Glycerol/PBS with 1% BSA and 0.09% sodium azide                        |
| Size:                |            | 100 μL   |
| Purity:              |            | Protein A affinity purified from an animal origin–free culture supernatant |
| Immuno               | ogen:      | A peptide corresponding to the N-terminus of human<br>Napsin-A             |
| Applicat             | tion:      | Immunohistochemistry, Western Blot   |
| Specific             | ity:       | This antibody reacts human Napsin-A  |
| Clone:               |            | RM366  |
| Lot No.:             |            |  |
| Catalog              | No.:       | 31-1252-00   |
|                      |            | Anti-Napsin-A Rabbit Monoclonal Antibody, Clone<br>RM366                   |
| Product              | :          | Rabbit Monoclonal Antibody   |
|                      |            |  |

Immunohistochemical staining of formalin fixed and paraffin embedded human kidney tissue section using anti-Napsin-A rabbit monoclonal antibody (Clone RM366) at a 1:1000 dilution.

Immunohistochemical staining of formalin fixed and paraffin embedded human lung adenocarcinoma tissue section using anti-Napsin-A rabbit monoclonal antibody (Clone RM366) at a 1:2000 dilution.

Western Blot of human lung tissue lysate using anti-Napsin-A rabbit monoclonal antibody (Clone RM366) at a 1:2000 dilution.
